## Online Registration July 23 - August 10, 2018

Beginning July 23, families will be able to register their students for the upcoming school year by going to the Parkview School District website at [www.parkview.k12.wi.us](http://www.parkview.k12.wi.us). Through your Family Access (Skyward) account; you can follow the tutorial which will take you through the necessary steps of completing the registration process.

The online payment system (RevTrak) will accept all school fees; which allows families to eliminate the need of having to write numerous checks. In order to encourage families to complete the Registration in a timely manner; the usual online payment fee of \$2.00 per transaction (through RevTrak) will be waived July 23 - August 10. **Don't wait, beginning on August 11 the \$2.00 RevTrak fee will be charged.**

*New for the 2018-2019 School Year:* Assistance with online registration will be available during the entire registration period at both schools (July 23rd - August 10th) from 9:00 a.m. - 3:00 p.m. For those that need assistance outside of our day time hours; we will have staff available at both schools on August 9th (Noon - 7 p.m.) to answer your questions. You will register you family online using computers provided by the district and will follow the exact same steps as families who register online at home or at another off-site location using their Family Access (Skyward) account.

*NOTE: This new process replaces the two registration days that we have scheduled in past years*

## Bus Routes - 2018 - 2019

An online bussing form has been added to the online registration process. This will allow parents to request busing changes. As in previous years, every effort will be made to maintain our students' current bus drivers, routes and stops. Parents may use the online registration process to request special busing to a babysitter, daycare, etc. and to submit the *Alternate Visual Confirmation* forms for students under the age of eight.

- August 20 - Preliminary routes will be uploaded to Skyward Family Access and can be viewed. Parents can contact Kobussen Terminal (608) 897-9064 - option #4 with questions related to their student bus schedule.
- August 23-24 - Minor changes will be made to accommodate new students being added to a route.
- August 28 - Parents can view the final bus route information in Skyward
